Our Mission

To provide excellent product and service solutions for the Heavy Industrial, Manufacturing, Government, Commercial and Residential, Contractor markets, while providing the highest level of customer service.

Source Atlantic is dedicated to:

- Conducting business ethically and safely
- Developing a product and service offering to satisfy our customers' needs
- Providing industry expertise through knowledgeable sales associates
- Creating a great work environment and encouraging employee development
- Continuously improving process

Our Experience

Source Atlantic has managed the supply chain for a multitude of projects, ranging in size from 5 million to 260 million: some of the customer we serve are categorized under the following market segments:

- Industrial Manufacturing
- Oil & Gas
- Food Processing
- Mining
- Fabrication & Welding
- Healthcare & Institutional
- Over 20 years of working in vendor managed inventory, vending machines, and project containers (retrofitted mobile stores), as well as other technologies and processes (i.e.: scanning and mobile technologies, purchase cards)
- Over 60 technicians servicing valves, motors, pumps, compressors, and industrial rigging & conveyor belting
