

Item # 20189064, FORTRESS 300 BLUE Multipurpose Hose FDA 1/2 in x 500 ft, 300 PSI, Blue

APPLICATION: An exclusive product to the market with Microban's®* technology. A high-quality construction for hot water up to 200°F (93°C) cleanup service in food processing plants, dairies, packing houses, bottling plants, breweries, canneries and creameries. Its super abrasion and oil-resistant cover provides maximum protection against the adverse affects of oil and animal fats. The cover also incorporates Microban's®* antimicrobial built-in product protection for the life of the cover. Along with the nitrile tube made with FDA compliant materials, this is the ideal food industry washdown hose.
