

Endura Pro™ | 378GTXHVL

Cold-rated hi-viz green cut protection with patented palm strips for enhanced grip in temperatures down to -25°C / -13°F

ABOUT THE PRODUCT

Our cold-rated Endura Pro™ 378GTXHVB hi-viz green driver gloves feature cut resistance and patented palm strips for improved grip and comfort in temperatures down to -25°C / -13°F. They feature leather palms and strategically placed palm strips for an enhanced grip that reduces bunching. TenActiv™ engineered yarn liner provides 360° cut protection with high ANSI A6 cut resistance. Hi-viz green back-of-hand material with retro-reflective striping improves flexibility and comfort while offering hand placement awareness and worker visibility on the job.
