

# Endura Pro™ | 378TXTVB

Cold-rated multi-hazard protection for handling heavy materials and tool operation

-25°C  
-13°F

## ABOUT THE PRODUCT

Our multi-feature Endura Pro™ 378TXTVB gloves match 360° cut protection and impact resistance with the warmth of Thinsulate™ to keep hands warm in temperatures down to -25°C / -13°F. TenActiv™ engineered yarn liner provides 360° cut protection with ANSI A6 cut resistance while ANSI 2 back-of-hand impact protection guards against knocks and bumps. Padded palms provide comfort and protection that is ideal for handling heavy parts or materials and for operating tools. They're treated to resist liquids plus a short safety cuff allow for easy donning and removal of gloves.
