Eric M.

TESTIMONIAL

Safety Coordinator, Allied Blower & Sheet Metal

"I don't know how Superior Glove makes any money. Our main welder is still on the same pair of gloves (505BUWS) and he is very impressed as they are showing no signs of wearing out."

superiorglove.com

365GC | M - 2XL

- Durable cowgrain palms
- Outseam sewn and fully welt protected
- 5" cowhide gauntlet cuffs

635FLKKW | One size

- Select side-split cowhide
- 6" split-leather cuff
- Sewn-in Kevlar® turtleneck

1450 grams of cut protection.

"We have 1500 employees wearing gloves. We buy 80% of our gloves from Superior. We get called on weekly from the competition, but I stay with Superior because of the service we get from them; our rep knows our processes very well. The price is also a big factor."

Carl B. (HSE Coordinator)

375CSi | S - 2XL

- Full-grain palms with split-leather backs
- Some oil and water resistance

399GKGL5 | S - 3XL

3050 grams of cut protection.

505VIB | One size

- Select cow splitskin
- Full semi-sock thermal-knit cotton lining
- Vibration dampening polymer

Louis-David Archambault
TESTIMONIAL

Quebec

"You make the best welding gloves I've used!

The deerskin suede is thin, is pleasant to wear, gives the very best dexterity that a welder needs, all that while offering an outstanding heat protection!"

superiorglove.com

370CTIG | S - 2XL

- Goatskin is incredibly durable and tough
