Endura[®]

Double-Palm Fitter Gloves

#99DPBA

For the toughest, most abrasive jobs, have a pair of our best-selling Endura[®] fitter gloves on your side. With an extra layer of heavyweight leather on the palm and fingers, you can easily handle the unexpected. Gloves are reinforced in all critical areas to give extra protection against abrasion, puncture and cut; knuckle straps protect against knocks. Back of gloves are cotton with elastic at wrists. Kevlar[®] sewn throughout for seam integrity. Polyethylene safety cuffs complete the package.
